

CYNAMINART PRICE LIST APRIL 2010

All prints are archival, museum quality and have a lifespan of up to 200 years.
Following strict fine art printing protocols to bring you the best in canvas & fine art printing.

VALUE CANVAS: framed with basic treated pine timber frame and unsprayed and has a matte finish.
PREMIUM CANVAS: framed on treated obeche timber which carries a no-warp guarantee & coated with a UV spray (protects your print from scratches and fading) and has a satin finish. Pine timber can warp and it is not recommended for prints over A3.
